Prayer Leads to Vocation

Fr. Peter M. Rookey,

You prayed for a young man to enter into the seminary. He was granted the privilege. He will leave in early August for studies at the Oblates of Theology. Praise for the vocation and praise for the ability to study. God bless and keep you, dear Father.

Abusive Employer Leaves

Dear Father Rookey,

Almost three years ago, I called to ask to pray for my abusive employer and me. I got stressed out as well as some other colleagues. A lot of complaints were filed against her. The higher administration finally realized her misdeeds. She and the other administrators were then transferred to other offices six months ago. The new administrators are supportive of the work I/we do. Now we are happy working in the vineyard of the Lord. God bless you!

Came out of Coma

Dear Fr. Rookey,

I called you on Mon. July 28th and asked you to pray for my granddaughter who has twin babies 1-1/2

years old. She stopped breathing and had a seizure and went into a coma. They said she wouldn't make it. I talked to you and by Wednesday she came out of the coma. God bless you!

Good News after Medical Emergency

Dear Father Rookey,

Last week I had a "medical emergency." My gums became sore and the affected area grew larger every day. My health did not permit me to visit the dentist and I was afraid I might lose a tooth or two. I called you and you prayed on the phone with me. At the conclusion of the prayer you said "God bless you . . . and I hope you will be in touch with us soon with good news." Well, here is the good news. The next day all tenderness and pain was gone and my mouth was perfectly normal. God bless you, Father.

Safe and Cancer Free

Dear Father Rookey,

Thank you. My sister's biopsy on her lungs was cancer free. Thank you for your prayers. My husband's biopsy was free of cancer on his prostate and his colonoscopy was clean. A great niece is in Iraq and safe with your prayers.

Recovers from Mental Disorder

Dearest Father Peter,

Thank you so much for praying for me. Prayers for healing are definitely being answered. I have recovered so much within the last year. It is a miracle I am even alive after a traumatic experience 20 years ago. My healing has been slow, and over a long period of time. I think I am going to make a complete recovery from a diagnosis of schizophrenia. I do not believe I belong in that category any longer. God's love and your prayers brought me back

Felt Instant Peace

Dear Friends in Christ,

I called ICM 2 weeks ago in distress. Father Rookey answered and prayed for me and my son regarding my anguish for my son. He blessed us and asked that I continue to pray to St. Robert and that I would later be writing you to proclaim the good news. Well, I am. All prayers have been answered and truly in an instant I felt peace and knew the results would be miraculous. May God bless all of you always and all those you pray for in Christ's name.

Quadruple Blessings

Dear Father Rookey,

A couple of weeks ago, I wrote asking for prayers for my brother-in-law, who was in desperate need of a liver transplant. About three days after I mailed the letter to you, the Cleveland Clinic called him and told him that a matching donor had been found. The liver transplant was a success. A while ago, I was concerned about our finances and asked for your prayers. You sent me a prayer to St. Joseph. We sold our house and are out of debt for the first time in over 25 years. You suggested in a letter that I say the rosary frequently, and God would answer my prayers. I took your

advice, and despite suffering from manic depression illness, am at peace. I applied for and am being considered for a promotion at work. God bless you, Father!

Complicated Surgery Successful

Dear Fr. Rookey,

Thank you for your prayers for my mother regarding her surgery. She's 85 and underwent a complicated colostomy and had two large stones removed from her bladder. Her doctors were uncertain how she would make it through the surgery because there was a lot of infection and she also has heart problems. The Lord heard your prayers and answered. She made it through the surgery without any problems. There is no cancer and she is at home recovering now. Thanks and love and praise to you Lord Jesus Christ.

Powerful Forces Stirred Up

Dearest Fr. Mary Rookey,

Fr. Mary Rookey prayed a special blessing for me over the phone for my partial paralyses and health symptoms. Yesterday he prayed for my 10 year old nephew and parents. Powerful forces were stirred up while he prayed. I'm very blessed to have encountered Fr. Mary Rookey. God bless you all.

Recovery after Coma

Dear Father Rookey,

I am writing to you to inform you of our great news! Early last month (April) I contacted you so that we could pray together for a very good friend of mine who lives in Italy. She underwent what was going to be a minor surgery to repair a vein in her arm. During surgery she lost a lot of blood and went into a coma. As soon as I heard of her condition I contacted you the very next day. After we said a few prayers for her you said that I was going to be writing to you with some good news. As a few days passed she opened her eyes and her parents knew that they had received a miracle. She is now in a rehabilitation facility to strengthen her muscles, and just yesterday she stood up for the first time. I can't thank you enough as I know a true miracle has occurred.

AVE MARIA!
January/February 2009

“Dear Children! You are running, working, gathering-but without blessing. You are not praying! Today I call you to stop in front of the manger and to meditate on Jesus, Whom I give to you today also, to bless you and to help you to comprehend that without Him, you have no future. Therefore little children, surrender your lives into the hands of Jesus, for Him to lead you and protect you from every evil. Thank you for having responded to my call....Our Lady Queen of Peace, Medjugorje, December 25, 2008.

Mary dear Mother, thanks. You remind us of Jesus' words “without Me you can do nothing.” “Stop,” you say, “Meditate on Jesus” in the straw and in the Holy Host. You and Jesus practiced what you preach. Mary you lived secluded until Calvary and Pentecost. Jesus You came as an infant, led an obscure 30 years, as carpenter, in tiny Nazareth. Only three years active as a public leader, showing us our Lent with your 40 days of desert fasting and prayer. Please enrich us by our Mass, adoration, sacraments as we “pray, pray, pray.”

January 22 - We join our countrymen, USA, especially in our Capital, Washington, DC, as they demonstrate by penance for violations to the dignity of the human person by abortion and particularly and lawfully restore right to life; womb to tomb.

February 12 - Florence, Italy, 1233. We remember... Mary our Mother, you called our Seven Holy Founders to pray, fast, do penance, and preach the Gospel.

February 25 - Ash Wednesday. We join you, Jesus, in your 40 days of prayer and fasting.

A JOYFUL EMAIL TO SHARE WITH YOU- December 22, 2008

Please tell Fr. Peter that Drew Mariani, well know host on our Catholic radio station, had a caller today around 4:00 (it was a repeat of a very recent program) from a lady for whom Father Rookey prayed when he was on the Relevant Radio Catholic station on October 17. Her name was Maria and she asked him to pray so she could have a child. I remember the call. She couldn't ovulate and her doctor said she could not conceive a child. Maria called Drew to say that she was now pregnant. It appears she got pregnant the day after Father prayed for her on the air. Drew praised Fr. Peter and other priests who suffer and fast so much for others so that miracles can take place. Drew said he just knew that people would be healed from listening to the show the day Fr. Peter was with him. Maria tells her friends about the ICM and her doctor was astounded that she could get pregnant when it was physically impossible for that to happen. Her husband heard the show too that day and was happy to hear Father pray for her. So chalk up another miracle to the good Lord Jesus who works through His servant Fr. Peter, loved by millions. Merry Christmas to you, Father, and all the little prayerful elves at the ICM!
